

My Church.

A D A
I've cussed on a Sunday, I've cheated and I've lied.

A E
I've fallen down from grace. A few too many times.

A D A
But I find holy redemption. When I put this car in drive.

A E D A
Roll the windows down and, - turn up the dial.

A D A
Can I get a hallelujah, Can I get an amen.

A
Feels like the Holy Ghost running through ya

E
When I play the highway FM.

A D Fm#
I find my soul revival, Singing every single verse

D A E A
Yeah I guess that's my church.

When Hank brings the sermon, And Cash leads the choir.
It gets my cold cold heart burning, Hotter than a ring of fire.

When this wonderful world gets heavy

And I need to find my escape.

I just keep the wheels rolling, radio scrolling

'Til my sins wash away.

A D A
Can I get a hallelujah, Can I get an amen.

A
Feels like the Holy Ghost running through ya

E
When I play the highway FM.

A D Fm#
I find my soul revival, Singing every single verse

D A E A
Yeah I guess that's my church.

Oops I did it again

Yeah yeah yeah yeah yeah. Yeah yeah yeah yeah yeah.
I think I did it again, I made you believe, we're more than just friends.
Oh baby, It might seem like a crush
But it doesn't mean that I'm serious.
'Cause to lose all my senses, That is just so typically me.

Oh baby, baby, Oops, I did it again
I played with your heart, got lost in the game
Oh baby, baby, Oops, you think I'm in love
That I'm sent from above, I'm not that innocent.

You see my problem is this I'm dreaming away
Wishing that heroes, they truly exist.
I cry, watching the days
Can't you see I'm a fool in so many ways
But to lose all my senses, That is just so typically me.

Oh baby, oh Oops, I did it again
I played with your heart, got lost in the game.
Oh baby, baby Oops, you think I'm in love
That I'm sent from above I'm not that innocent.

Oops, I did it again to your heart, Got lost in this game, oh baby
Oops, you think that I'm sent from above I'm not that innocent.

Oops, I did it again
I played with your heart, got lost in the game
Oh baby, baby Oops, you think I'm in love
That I'm sent from above I'm not that innocent.

Oops, I did it again I played with your heart, got lost in the game
Oh baby, baby Oops, you think I'm in love

One Love

One love, one heart, Let's get together and feel alright.
Hear the children crying (One love)
Hear the children crying (One heart)
Sayin' give thanks and praise to the lord and I will feel alright.
Sayin' let's get together and feel alright.

Ohohoho
Let them all pass all their, dirty remarks (One love)
There is one question I'd really love to ask (One heart)
Is there a place for the, hopeless sinner?
Who has hurt all mankind just to save his own?

Believe me one love
, what about love?
Let's get together and feel alright.
As it was in the beginning (One love)
So shall it be in the end (One heart), alright
Give thanks and praise to the lord and I will feel alright.
Let's get together and feel alright.
One more thing
Let's get together to fight this holy armageddon (One love)
So when the man comes there will be no, no doom (One song)
Have pity on those whose chances grove thinner
There ain't no hiding place from the father of creation.

Sayin'
Let's get together and feel alright
Thanks and praise to the lord, feel alright
Let's get together to fight this holy armageddon
So when the man comes there will be no, no doom
Have pity on those whose chances grove thinner
There ain't no hiding place from the father of creation
Sayin'
Let's get together and feel alright
One more thing!
One love, one heart
Let's get together and feel alright
I'm pleading to mankind

I Don't Wanna Dance

I don't wanna dance, dance with you baby, no more
I'll never do something to hurt you though.
Oh, but the feeling is bad, the feeling is bad..

I love your personality
Oh, but I don't want our love on show.
Sometimes I think it's insanity, girl, the way you go.
With all of the guys in the corner
Oh baby, you're the latest trick
Oh, you seem to have their number, Look, they're dancing still.

But I don't wanna dance, dance with you baby, no more
I'll never do something to hurt you though
Oh, but the feeling is bad, the feeling is bad
I don't wanna dance, dance with you baby, no more
I'll never do something to hurt you though
Oh, but the feeling is bad, the feeling is bad...

No, I don't wanna dance, dance with you baby, no more
I'll never do something to hurt you though
Oh, but the feeling is bad, the feeling is bad.

Baby, now the party's over for us so I'll be on my way
Now that the things which moved me are standing still
I know it's only superstition, baby, but I won't look back
Even though I feel your music, baby, that is that..

Oh, I don't wanna dance, dance with you baby, no more
I'll never do something to hurt you though
Oh, but the feeling is bad, the feeling is bad.

I don't wanna dance, dance with you baby, no more
I'll never do something to hurt you though
Oh, but the feeling is bad, the feeling is bad
I don't wanna dance, don't wanna dance
I don't wanna dance, don't wanna dance
Don't wanna dance, don't wanna dance
I don't wanna dance, I don't wanna dance, dance with you baby, no mor

Sunday People

Mother she is not the type you look at on the street
Looks like any other mum I know
Dressed in grey to take a walk as any other day
Takes a pint at Henry's half past one
Drinks it rather slowly she would never walk the line
Her face is changing through the second pint
Mother has a lover though he's only in her mind
The minute she is leaving he is gone.

Sunday sunday people, Sunday shines for you
Sunday she is shining, For you.
Sunday sunday people, Sunday shines for you
Sunday she is shining, For you.

She had a chance made a choice twenty years ago
Twenty years ago when I was born
Time has changed and I moved out daddy's growing old
Mother's changing lovers every day
Anyway at half past five she's waiting with the meal
We have a chat about the day's events
Father's secret lover's more easily to find
She's no longer only in his mind.

Sunday sunday people, Sunday shines for you
Sunday she is shining, For you.
Sunday sunday people, Sunday shines for you
Sunday she is shining, For you.

Dropping in at sunday eve to spend the night at home
Just to make them feel that I still care
Daddy tells me stories from the time when he was young
But I don't find them funny anymore
Mother says I'm much too skinny do you work too hard
Do you sleep at night and get to eat
Do you have a girlfriend would you care to take her home
Time to settle down and have some kids.

Sunday sunday people, Sunday shines for you
Sunday she is shining, For you.
Sunday sunday people, Sunday shines for you
Sunday she is shining, For you.

Somebody

When you called up my phone I was all alone
Voice close to my ear, like the sound of a song
You said, "Let's take a ride» This was late July
We got lost in the night (we got lost in the night)

So we drove around town in your beat-up car
Soft sounds of your breath and the sound of my heart.
Don't remember the words, I know how I felt
Is this trouble again?

I never felt like this with somebody

I never thought I'd feel like I do.
Bb

I never felt this close with somebody
Somebody, somebody but you.
I never had this rush in my body
I never thought I'd feel something new
I never felt this close with somebody
Somebody, somebody but you
Something 'bout you and the way we fit
Like the stars in the night, heat of you on my skin
Hadn't known you for long but it felt like years
From the second we met I knew things would change
Everything would change
Everything would change
Don't remember the words, I know how I felt
Is this trouble again?

I never felt like this with somebody
I never thought I'd feel like I do
I never felt this close with somebody
Somebody, somebody but you
I never had this rush in my body
I never thought I'd feel something new
I never felt this close with somebody (somebody)
Somebody, somebody but you
I never felt like this with somebody
(With, with, with somebody)
I never thought I'd feel something new
(With, with, with somebody)
I want somebody like you
(With, with, with somebody)
